## Main Street Hires Executive Director

*Community Visioning Workshop Scheduled for June 2<sup>nd</sup>*

CHATTAHOOCHEE, May 6, 2014 – Chattahoochee Main Street, Inc. is pleased to announce the hiring of Benjiman Chandler as its Executive Director as of April 21. We're very excited to have Mr. Chandler officially on the Main Street team after he spent the past year offering volunteer assistance during our Florida Main Street application process. Mr. Chandler holds a Master of Science degree in Urban and Regional Planning from Florida State University with specialization in Transportation Planning and has over 18 years of consulting experience. Combining his certified planning credentials, expertise in comprehensive planning and land development codes, and his love and passion for Chattahoochee having spent his childhood here, made him a highly desirable candidate.

We look forward to working with Ben and growing the Chattahoochee Main Street program which is dedicated to promoting a better quality of life for our community through historic preservation, education, revitalization of downtown and the River Landing, and arts and cultural events.

To build upon the momentum the Main Street program has gained, all citizens are cordially invited to participate in an initial **Community Visioning Workshop to be held at 6:30pm on Monday, June 2, 2014 at the RV Park Clubhouse.** This workshop will mark the beginning of a series of public involvement opportunities to gather input and ideas for creating a strategic community vision plan designed to promote our history, protect our heritage, and solidify our legacy. We look forward to working together to create a vision for Chattahoochee's future.
