Let's Plan Chattahoochee' Future Together

Community Visioning Workshop Scheduled for June 2nd

CHATTAHOOCHEE, May 16, 2014 – Do you want to play a vital role in planning and shaping Chattahoochee's future? Do you have ideas for historic preservation, downtown revitalization and economic development? What do you want the downtown area to look like in the future?

Chattahoochee Main Street will be hosting the first of a series of Community Visioning Workshops on Monday, June 2, 2014 at 6:30pm at the RV Clubhouse on River Landing Road. If you live, work, or play in the City of Chattahoochee, you are cordially invited to attend.

This initial event will be an opportunity for anyone attending to provide input to begin the process of creating a long-range vision plan for Chattahoochee's future. Right now is an exciting time as the slate is blank. Please come ready to share your thoughts and ideas for what you would like to see Chattahoochee become. The goal is to develop a vision plan that the entire community can take ownership in and be proud of; a plan that promotes our valuable natural resources while protecting our heritage and preserving our history.

Creating a vision plan will be an ongoing process with many opportunities to participate. Citizens are encouraged to be involved early and often so that the best plan can be developed that is truly representative of the community's collective vision. If anyone has thoughts and opinions, please share them. It is likely that you will find your fellow citizens share many of the same viewpoints.

If you are unable to attend, but wish to participate in this process, or if you would like more information, please contact Ben Chandler, Executive Director for Chattahoochee Main Street, Inc. at 663-2323 or email ben.chattahoocheemainstreet@gmail.com.
