Strategic Community Vision Plan Begins to Take Shape *Chattahoochee Main Street Conducts 2nd Community Visioning Workshop*

CHATTAHOOCHEE, August 11, 2014 – Chattahoochee Main Street hosted the second of a series of Community Visioning Workshops on Monday, August 4, at the Florida State Hospital Chapel. This important event provided another opportunity for public input to continue the process of creating a long-range vision plan for Chattahoochee's future.

The workshop represented the next steps toward developing a Strategic Community Vision Plan belonging to the entire community. Based entirely upon the community input collected to date, strategic themes are taking shape within which all input received can be categorized. The strategic themes that have arisen during this visioning process are:

- Develop Historic Main Street Design Standards
- Preserve Historic Downtown
- Protect and Promote the River Landing
- Preserve Heritage
- Promote Eco-Tourism
- Promote Existing Economic Viability / Business Retention
- Promote Business and Industry Recruitment
- Foster Partnerships

In addition to discussing the strategic vision for the community, a forum was provided for the public to comment on the final report from Florida Main Street's consultant resource team. If you would like to provide input on the strategic visioning process, and if you would like to receive a digital copy of the resource team's final report, please contact Chattahoochee Main Street, Inc. at 663-2323 or email Ben Chandler, Executive Director, at ben.chattahoocheemainstreet@gmail.com.
