City Council Workshop to Discuss Strategic Community Vision Plan

CHATTAHOOCHEE, April 13, 2015 – On Tuesday, April 21 at 6:30pm, Chattahoochee Main Street will be presenting the preliminary Draft Strategic Community Vision Plan to the City Council during their public workshop session. This workshop will provide yet another opportunity for public input in the community visioning process.

It can truly be said that this Vision Plan has been authored by the citizens of Chattahoochee. Everyone who participated in the community visioning workshops has had a hand in writing it and the thoughts and ideas are representative of all your input. Chattahoochee Main Street is deeply grateful for the community's participation in the visioning workshop series conducted over the last several months.

This plan belongs to each one of you. It represents your spoken hopes and dreams of what Chattahoochee can become. As an organization, it has been an honor to take all of the information gathered from the community as pieces of a puzzle, and use it to establish collective community vision goals.

This Vision Plan is intended to be a living document. One that is evaluated regularly to address needs as they arise, or as strategies need to change. This document has been prepared in partnership with the Florida Department of Economic Opportunity through a Small Community Technical Assistance Grant.

Please plan to attend this important workshop session. If you would like more information, and if you would like to receive a digital copy of the draft Vision Plan, please contact Ben Chandler, Executive Director for Chattahoochee Main Street, Inc. at 663-2323 or email ben.chattahoocheemainstreet@gmail.com.
