Chattahoochee Receives 2016 National Main Street Accreditation

CHATTAHOOCHEE, June 20, 2016 – Since its inception, and for the third consecutive year, Chattahoochee Main Street has been designated as an accredited Main Street America™ program for meeting rigorous performance standards set by the National Main Street Center. Each year, the National Main Street Center and its Coordinating Program partners announce the list of accredited Main Street America programs in recognition of their exemplary commitment to preservation-based economic development and community revitalization through the Main Street Approach®.

“Once again, we are thrilled to recognize this year’s nationally accredited Main Street America communities for their outstanding work,” says Patrice Frey, President & CEO of the National Main Street Center. “We are experiencing an exciting era for America’s cities and towns, with a growing recognition of the importance of strong local enterprise, distinctive character, engaged residents, and sense of place. These are things that Main Street America programs have been working to protect and advance for years, strengthening the economic, social, and cultural fabric of communities across the country.”

The organization’s performance is annually evaluated by Florida Main Street, which works in partnership with the National Main Street Center to identify the local programs that meet ten (10) qualifying performance standards. Evaluation criteria determines the communities that are building comprehensive and sustainable revitalization efforts and include standards such as fostering strong public-private partnerships, securing an operating budget, tracking programmatic progress and actively preserving historic buildings.

Chattahoochee Main Street is a non-profit organization dedicated to the purpose of revitalizing downtown Chattahoochee and its River Landing area by seeking to preserve our heritage and promote historic preservation through downtown revitalization and economic redevelopment.

Main Street America has been helping revitalize older and historic commercial districts for more than 35 years. Today, Chattahoochee Main Street is part of a network of more than 1,000 neighborhoods and communities, rural and urban, who share both a commitment to place and to building stronger communities through preservation-based economic development. Since 1980, communities participating in the program have leveraged more than \$65.6 billion in new public and private
